Business Meeting Held for the Pur pose of Advancing Sanitary Affairs and Streets and Sewers in the Taxing-District.

The Legislature Petitioned to Levy an Additional Tax of Thirty-Five Cents on the One Hundred Dollars for Such Purposes -Subscriptions for the New Government.

At half-past three o'clock yesterday after oon, a called meeting was held at the hamber of commerce, for the purpose considering sanitary matters and improvin e streets in the Taxing-District known a

Mr. D. P. Hadden called the meeting to r, and stated the objects for which it was called. Mr. Eiseman, president of the cham r of commerce, was sick and unable to side. The secretary read the call for the eting as published in the daily papers. mbers would be permitted to take any art in the meeting. On motion the rules were suspended, and tizens not ruembers were permitted to ad-

ress the chamber.

Mr. Meriwether read the tax laws of the District as adopted by the legislature of the State. Mr. Meriwether commented on the assessment of taxes, and stated the propose amendments which will be offered for ador The result of his homeward trip has | tion in the general assembly. He thought not yet been heard of; but he may be more that on an assessment of eighteen millio dollars, about one hundred and fifteen thou sand dollars would be raised by taxes fo om the northwest swept over the District. 1879, for sanitary, street and sewerage pur Overcoats, external and internal, were in de-mand, and fires were in order. Many a man corried up to a cold stove to warm his hands, lars. As to sewerage about six hundred and and for several minutes did not discover that | thirty-four thousand dollars will be needed, according to the estimate of eminent ensations. Even "Owen Meredith," Bulwer sewerage. For straightning the bayon the younger, squints at this idea when, in Gayoso probably three hundred thousand dollars will be needed. To place the three million dollars. This canno e done in a year, pichably not in ten years but it ought to have a beginning in a uno ugh manner and carry out the adopted system on some scientific plan. The more important streets should be paved from year to

ear. Without paved streets sewers would e worthless. Pave the streets first. The sewerage is the work of years, and comes in econdary to the street paving. Let the work | headed as follows: paving and sewering go on from year to 'TUNNELING THE MISSISSIPPI RIVER-HOW rear. He opposed any increase of the tax at present. Mr. Meriwether commented upon We have received from Mr. J. L. Roach, of he assumption of power over the propert and people of Memphis by Judge Baxter of the United States circuit court, which as or tunneling the Mississippi river, which we have condensed and give the material imption of power he felt convinced woul portion below, the communication is accomnever be recognized by the supreme court of the United States. He opposed high taxes, It was not pepular with the people. It was panied by plans and specifications, which we regret we cannot publish for want of the naries wood, colored, incidment for the unwise to urge it at the present time. The nable to agree many a verifict and remains new government should not be hampered ocked up at the courthouse. One or two of with a high tax movement. Let the people is jury, it is reported, hold out for a verdict | who owe back taxes be dealt with leniently and he preservation of the banks, structure of of acquittal. Many of the jurors are most anxious to get out and be discharged from duress, as an agreement upon a verdict is seemingly impossible. As a general rule in our criminal court, juries have been discharged they would do not be the support of all chases of people and to oppress mobody. The legislature will give these back tax-payers time to settle up, and he believed they would do not be the support of all chases of people and to oppress mobody. he tunnel, laying of rails, appliances for deadening sound, etc., which we are forced to omit for want of space. What we have given, however, will sufficiently illustrate ries have been dis- up, and he believed they would do so. Mr no sound, referred to in this article, was the
